

**IFPSM**  
INTERNATIONAL FEDERATION OF PURCHASING & SUPPLY MANAGEMENT

## **2018 WORLD SUMMIT IS BEING HELD IN HELSINKI ON 26 – 29 SEPTEMBER**

The theme of this year's World Summit is:

### **“Procurement in 2020’s: Discover the New Role of Procurement”**

Technology, AI, digitalization, sustainability..... Currently there are huge factors changing the landscape of procurement. This will affect us all so we need to try and understand how this will impact us so we can prepare for the future. The IFPSM World Summit 2018 will provide speakers who can offer you insights into the new megatrends to enable you to consider new thinking and initiatives to support your association's growth in this challenging but exciting environment.

The IFPSM World Summit 2018 is being hosted by LOGY, our Finnish member, and is taking place in Helsinki, Finland over four days. On 26 September you will travel to Tampere for the Subcontracting Fair and return in the evening for a sightseeing tour of Helsinki, followed by a dinner. The World Summit commences on 27 September with a delegate dinner that night and continues on 28 September. The IFPSM Council meeting will take place on Friday afternoon, 28 September before boarding the boat for an overnight cruise to Tallinn, Estonia. The onboard dinner will provide an excellent networking opportunity.

Saturday, 29 September will commence with a sightseeing trip around Tallinn, before returning to the boat for lunch and to cruise back to Helsinki where you can either enjoy a longer stay in Helsinki or return to the airport for your flight home.

The IFPSM World Summit brochure gives you full details of the event and the costs. For further information and to register click on: <http://www.logy.fi/en/ifpsm-world-summit.html>
